SUPPLEMENTARY INFORMATION:

I. Background

MEDCAC, formerly known as the Medicare Coverage Advisory Committee (MCAC), provides advice and recommendations to CMS regarding clinical issues. (For more information on MCAC, see the December 14, 1998 **Federal Register** (63 FR 68780). This notice announces the Wednesday, May 16, 2012, public meeting of the Committee. During this meeting, the Committee will discuss desirable characteristics of evidence appropriate for Coverage with Evidence Development.

Background information about this topic, including panel materials, is available at

<http://www.cms.gov/medicare-coverage-database/indexes/medcac-meetings-index.aspx?bc=BAAAAAAAAAAAA&>. We will no longer be providing paper copies of

the handouts for the meeting. Electronic copies of all the meeting materials will be on the CMS website no later than 2 business days before the meeting. We encourage the participation of appropriate organizations with expertise in the desirable characteristics of evidence appropriate for Coverage with Evidence Development.

II. Meeting Format

This meeting is open to the public. The Committee will hear oral presentations from the public for approximately 45 minutes. Time allotted for each presentation may be limited. If the number of registrants requesting to speak is greater than can be reasonably accommodated during the scheduled open public hearing session, we may

conduct a lottery to determine the speakers for the scheduled open public hearing session.

The contact person will notify interested persons regarding their request to speak by

April 19, 2012. Your comments should focus on issues specific to the list of topics that

we have proposed to the Committee. The list of research topics to be discussed at the

meeting will be available on the following web site prior to the meeting:

<http://www.cms.gov/medicare-coverage-database/indexes/medcac-meetings->

[index.aspx?bc=BAAAAAAAAAAAAA&](http://www.cms.gov/medicare-coverage-database/indexes/medcac-meetings-index.aspx?bc=BAAAAAAAAAAAAA&). We require that you declare at the meeting

whether you have any financial involvement with manufacturers (or their competitors) of

any items or services being discussed.

The Committee will deliberate openly on the topics under consideration.

Interested persons may observe the deliberations, but the Committee will not hear further

comments during this time except at the request of the chairperson. The Committee will

also allow a 15-minute unscheduled open public session for any attendee to address

issues specific to the topics under consideration. At the conclusion of the day, the

members will vote and the Committee will make its recommendation(s) to CMS.

III. Registration Instructions

CMS' Coverage and Analysis Group is coordinating meeting registration. While

there is no registration fee, individuals must register to attend. You may register online at

<http://www.cms.gov/apps/events/upcomingevents.asp?strOrderBy=1&type=3> or by

phone by contacting the person listed in the **FOR FURTHER INFORMATION**

CONTACT section of this notice by the deadline listed in the **DATES** section of this

notice. Please provide your full name (as it appears on your state-issued driver's license),

address, organization, telephone, fax number(s), and e-mail address. You will receive a

registration confirmation with instructions for your arrival at the CMS complex or you will be notified that the seating capacity has been reached.

IV. Security, Building, and Parking Guidelines

This meeting will be held in a Federal government building; therefore, Federal security measures are applicable. We recommend that confirmed registrants arrive reasonably early, but no earlier than 45 minutes prior to the start of the meeting, to allow additional time to clear security. Security measures include the following:

- Presentation of government-issued photographic identification to the Federal Protective Service or Guard Service personnel.
- Inspection of vehicle's interior and exterior (this includes engine and trunk inspection) at the entrance to the grounds. Parking permits and instructions will be issued after the vehicle inspection.
- Inspection, via metal detector or other applicable means of all persons brought entering the building. We note that all items brought into CMS, whether personal or for the purpose of presentation or to support a presentation, are subject to inspection. We cannot assume responsibility for coordinating the receipt, transfer, transport, storage, set-up, safety, or timely arrival of any personal belongings or items used for presentation or to support a presentation.

Note: Individuals who are not registered in advance will not be permitted to enter the building and will be unable to attend the meeting. The public may not enter the building earlier than 45 minutes prior to the convening of the meeting.

All visitors must be escorted in areas other than the lower and first floor levels in the Central Building.
